# *To-Be Design*
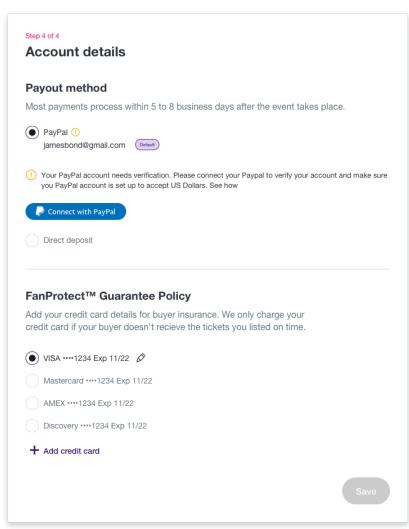

Sell Listing

From data in 2021, PayPal failures occupied 75.59% of the total payout failures.

PayPal verfication is introduced in the listing flow, which can dramatically **reduce the unclaimed and rejected PayPal payouts.**

Payout timeline
to set reasonable seller's expectation of the payout timeline.

Verify PayPal
to ensure the provided PayPal account is valid.

Success/Impacted Metrics

Unclaimed & rejected PayPal failure rate ↓
